#### Principal's foreword

#### Introduction

The Caves State School is committed to its motto of *Nothing but the Best* with an emphasis on improved outcomes for all children, Social Skills and Values, integrated technologies and ongoing learning of all members of the school community.

Queensland schools annually publish information to parents about student and school performance. The School Annual Report is a public document that provides output and outcome information on the achievement of the goals in the school's Annual Operation Plans. It highlights the school's strengths and also sets out targets for improvement during following years.

The School Annual Report is available from the school website or in paper form from the school office upon request. It has also been presented at a meeting of The Caves State School Parents and Citizens' Association.

I am very proud of the work of students and staff at The Caves State School and have pleasure in providing this report to you. I trust that you will find this report interesting and informative. If you would like to discuss this report further, please contact the school.

# Queensland State School Reporting 2012 School Annual Report

#### School progress towards its goals in 2012

#### Our priorities for 2012 were:

- All children will achieve to their full potential (on-going priority)
- Results for all children will improve in English through focus on Comprehension & Grammar and Punctuation (achieved)
- Results of average and above average students will increase (achieved)
- A consistent approach to teaching and learning and assessment across all year levels with emphasis on English, Maths and Science through implementation of the Australian Curriculum (achieved)
- Nurture partnerships between school and community to increase parental understanding of what and how our students learn in our multi-age environment (on-going priority – Parent and Community Engagement Framework)

#### To achieve these, we:

- · Raised expectations and challenges and supported children to achieve these standards
- Reviewed our Responsible Behaviour Plan for consistency in consequences
- Incorporated individual goal setting and reflection in teaching and learning
- Identified student needs through internal data collection and provided support through teacher aides, Support Teacher (Literacy & Numeracy), parent involvement and promotion of enrichment activities.
- Implemented Daily 5 and Café across the entire school to ensure a whole school approach to the explicit teaching of reading strategies, editing and Functional Grammar
- Examined pedagogical approaches, including Explicit Instruction, to determine best practice.
- Continued to explore effective methods of communication between home and school, including 3-way Conferences
- Promoted school strengths, with emphasis on Multi-age Education and Differentiation

#### **Future outlook**

Through the provision of challenging and innovative learning experiences, provided by a dedicated, caring and professional staff, The Caves State School has developed an excellent reputation in both the local and educational community. Consistently high results in all areas are testament to quality teaching and a supportive and nurturing environment.

With high expectations comes the challenge to provide facilities and resources to meet the needs of a 21st century learning community committed to delivering high quality future focused teaching and learning.

Our key priority in 2013 will be an unrelenting focus on improving reading (comprehension), writing and numeracy in all students through a whole school pedagogical approach which includes explicit instruction.

#### Our commitment is that:

- all students will improve in reading, writing and numeracy at least as fast as the national rate of improvement because our teachers will be focussing on the best possible ways to teach.
- the quality of teaching and learning that occurs at The Caves State School will be promoted, to improve perception of teaching staff as professional and accountable experts.
- the emphasis the school community places on social skills and teamwork will be acknowledged, to reinforce commitment to develop the whole child through implementation of Well-Being Framework.

#### Our distinctive curriculum offerings

The Caves State School equips students with the skills to become successful life-long learners. Challenging and innovative learning experiences are designed to ensure that each child has the opportunity to reach their maximum potential. Exposure to and participation in a broad range of cultural, sporting and academic activities that will improve student outcomes is a priority.

- Multi-age teaching and learning with a focus on meeting individual student needs
- Weekly skills lessons in Library and Music
- Explicit teaching of computer skills in weekly lessons
- Early Years Pre-Intervention Programs
- Intervention and Extension Programs
- Integrated Information and Learning Technologies

#### Extra curricula activities

The Caves State School is very proud to offer a broad range of extra curricula activities to students to cater for individual and group development including:

- Choir
- Arts Council
- Interschool sporting opportunities, including Sports Representatives at a District, Regional and State Level
- Sporting opportunities across a variety of sports and codes
- Cultural performances, activities and excursions
- A school wide Camping and Excursion Program to compliment classroom curriculum offerings
- Student Council projects and activities

#### How Information and Communication Technologies are used to assist learning

At The Caves State School we aim to embed the use of technology into every unit of work. Computers are an important part of our lives. We believe the work we do in schools should reflect this. Computers are used in the following ways for learning:

- · E-mail and internet access
- Weekly lessons in Computing skills
- Access to digital cameras, digital video cameras, iPods and iPads
- Robotics hardware and software
- Integration of ICTs across the curriculum, evident in planning
- Animations
- Presentations of assessment pieces
- Online reporting using OneSchool portal

#### Social climate

The Caves is a school with high expectations and strong values and traditions. Our school motto, Nothing But The Best underpins what we stand for in our daily interactions, what we do and how we present ourselves in the school community. The Caves State School has a high standing in the community and a long history of family connections and productive partnerships.

A positive, safe and supportive environment exists at The Caves State School. Proactive behaviour awards include Rainbow Behaviour Awards, Nothing But The Best Awards and Behaviour, Attitude and Performance Awards.

Student and staff achievements are celebrated at our monthly student-led parade which is well attended by parents. Parade also includes presentation of classroom projects, awards, School Value of the Week and Sporting & Cultural News.

The School Opinion Survey showed that:

- 94.7% of parents felt that their child was safe at this school. 100% of students felt that they were safe at The Caves State School.
- ~ 100% of parents were satisfied that student behaviour is well managed at this school.
- 100% of parents acknowledge that this school loks for ways to improve.
- ~ 100% of staff was satisfied that this school is a good place in which to work.

Students have access to a visiting Guidance Officer. Staff members have access to the Employment Advisor.

Education Queensland does not tolerate bullying behaviour at schools. At The Caves State School there is broad agreement among students, staff and parents that bullying is an observable and measurable behaviour. All students are explicitly taught the expected school behaviours and receiving high levels of social acknowledgement for doing so.

The 3-step process to be used by all students when experiencing bullying behaviour, either as a person being bullied, the person bullying or bystander is explicitly taught by all teachers in all classrooms:

#### Strategies For Students To Deal With Bullies

- Let the bully know that what they are doing is bullying.
- · Refuse to join in with their bullying
- Support any students who are bullied.
- Stand up for yourself if anyone tries to bully you by:
  - 1. Telling them to stop
  - 2. Ignoring them or walking away
  - 3. Asking an adult for support if nothing else works and once the student has tried to manage the situation

#### Parent, student and staff satisfaction with the school

Overall parent and student satisfaction with The Caves State School is comparable to the state. 94.4% of parents agree that The Caves State School is a good school. 100% of students agree that they like being at The Caves State School and they are getting a good education. Staff overall satisfaction levels were higher than state means.

These outcomes demonstrate that the performance of The Caves State School is appreciated and valued by the school community.

#### Involving parents in their child's education

We appreciate the support of parents and family in working with us as a united team to ensure each student achieves to his/her full potential.

Open communication is the key to this partnership, with regular opportunities to meet with staff members and to contribute to school activities including provision of transport and coaching for interschool sport, participating as classroom helpers and being involved in formal structures including the Parents & Citizens' Association.

We value and acknowledge the work of parents and give parents regular opportunities to be informed about and to share in their child's learning and the life of the school through newsletters, assemblies, student-led conferences and learning celebrations.

The Caves State School has an active and supportive Parents and Citizens Association who plays an integral part in the community.

94.7% of parents indicated that they are satisfied that this school encourages them to take an active role in their child's education and 94.4% of parents indicated that they are satisfied that staff at this school are responsive to their enquiries.

#### Reducing the school's environmental footprint

Data is sourced from school's annual utilities return and is reliant on the accuracy of these returns.

All students and staff continue to make a concerted effort to reduce our environmental footprint. Our first priority is educating our students in sustainability and responsibility, and then implementing what our students have learned in the real world.

#### Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DET policies, SMS-PR-029: Managing Student Absences and SMS-PR-036: Roll Marking in State Schools, which outline processes for managing and recording student attendance and absenteeism.

The roll is a legal document and must be filled in using the recommended codes twice a day (morning and afternoon). All student absences are recorded as either explained (using an appropriate reason code) or unexplained.

This information is entered into OneSchool. Administration uses this data to generate reports about student absences, required for the report card.

Teachers are responsible for:

- keeping attendance records and monitoring attendance and absenteeism of enrolled students.
- alerting the principal when a student's absence is unexplained or when concerned that the explanation may be unsatisfactory.
- referring a student to the Guidance Officer if concerned that welfare issues may be impacting on attendance.

# Performance of our students

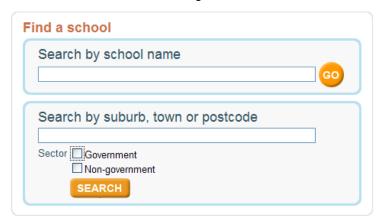

In the event of unexplained absences greater than three days, or patterns of non-attendance, the principal will:

- make contact with parents and inform them of their compulsory schooling obligations and of the processes to be followed in relation to student absences.
- provide support to parents and students to ensure their child of compulsory school age attends school
  on every school day for the educational program in which the child is enrolled, unless the parent has a
  reasonable excuse.
- negotiate alterations to a student's educational program to promote engagement and/or maintain student connection with the school, if required.

National Assessment Program – Literacy and Numeracy (NAPLAN) results – our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9.

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 are available via the My School website at <a href="http://www.myschool.edu.au/">http://www.myschool.edu.au/</a>.

To access our NAPLAN results, click on the *My School* link above. You will then be taken to the *My School* website with the following 'Find a school' text box.

Where it says 'Search by school name', type in the name of the school whose NAPLAN results you wish to view, and select <GO>.

Read and follow the instructions on the next screen; you will be asked to accept the **Terms of Use** and Privacy Policy before being able to access NAPLAN data.

If you are unable to access the internet, please contact the school for a paper copy of our school's NAPLAN results.

#### Performance of our students

#### Achievement - Closing the Gap

The 'Closing the Gap Education Strategy' is the department's overarching strategy for the education of Aboriginal and Torres Strait Islander students in state schools. The strategy sets three state-wide targets for Queensland state schools – halve the gap in Year 3 reading, writing and numeracy by 2012; close the gap in student attendance by 2013; and close the gap in Year 12 retention by 2013.

Due to the small number of Indigenous students across the school, comments regarding NAPLAN performance and attendance cannot be made. However, Indigenous perspectives are taught in all year levels, across all learning areas.

In 2012 Indigenous students were represented in 6 of 8 classes from Prep to Year 7. All Indigenous and Non-Indigenous students received additional support as required.
